Re: M Squared Technologies Software Product Export Control Statement

June 6, 2009

M Squared Technologies LLC Software Products are NOT subject to the U.S. Export Administration Regulations due to the following analysis of the EAR Part 774, the Commercial Control List, and Categories 0 to 9.

M Squared Technologies LLC software products do not support, function, or operate with any system, material, software, or products described in the following Categories:

- Category 0 - Nuclear Materials, Facilities & Equipment (and Miscellaneous Items)
- Category 1 - Materials, Chemicals, Microorganisms, and Toxins
- Category 2 - Materials Processing
- Category 3 - Electronics
- Category 4 - Computers
- Category 5 (Part 1) - Telecommunications
- Category 5 (Part 2) - Information Security
- Category 6 - Sensors and Lasers
- Category 7 - Navigation and Avionics
- Category 8 - Marine
- Category 9 - Propulsion Systems, Space Vehicles and Related Equipment

Specifically, M Squared Technologies, LLC products, DO NOT contain any encryption, information assurance, or information security technologies or products.

It is therefore derived that, there are no Export Control Classification Number (ECCN) codes that can be applied to M Squared Technologies, LLC software products and these products do not require any Commodity Classification Automated Tracking System (CCATS) Numbers.

There is no export license required for M Squared Technologies, LLC software products as the result of the above analysis. An Export License Exception for M Squared Software can be supported for M Squared Software Products as they are: available for mass market, sold from stock at retail selling points, and they are designed for installation by the user without support from the supplier.
